01 PROFILE

Passionate and dedicated **Physics Lecturer with 10+ years of experience** in offline and online coaching. Known for making complex concepts simple, visual and memorable, and for helping students convert understanding into strong results in board exams and competitive exams such as **NEET and JEE**. Currently teaching at **Chate Coaching Classes** and **Purva Career Institute**, while mentoring students across Nagpur.

TEACHING PHILOSOPHY

Concept first.
Practice second.
Confidence always.
